HACKATHON

# TEAM DETAILS

Team Name:

ErrorMakers

Participants:

- 1] Nachiket Pensalwar
- 2] Ansh Khaitan
- 3] Shirsh Bhakta

# ABSTRACT

Team Error Makers is planning to make a website that fetches the exam papers of VIT, like CATs, Quiz, and FATS, from the students and displays them on the same website itself. The website will help the students at VIT get all the papers on a single website and not have to roam around in different groups .

Website will also provide study links for that particular paper.

# MARKET COMPETITOR

- Lastone Application
- <https://vitpapers.blogspot.com/>(outdated)

# TECH STACK

- Front-End Web Development: HTML,CSS AND JS
- Back-End Web Development.
